SENATOR DWORAK: Mr. President, I move that LB 443A be advanced to E & R for engrossment.

PRESIDENT: Discussion? All those in favor say aye, contrary nay. The bill is advanced.

CLERK: Mr. President, LB 606, there are no E & R amendments. There is an amendment by Senator Keyes to reduce general fund appropriations by 10 percent and adjust all totals.

PRESIDENT: Senator Keyes.

SENATOR KEYES: Mr. Speaker, I want to make this very short. I don't think anybody needs to talk either way on it. You wouldn't accept 10 percent on the other one. You wouldn't even accept 3 percent. I'm going to tell you once again to remember that 22 states out of our 50 are cutting taxes this year. They probably are as concerned as anybody else about the loss of revenue for the subdivisions of government for the people. Go ahead, I'm going to ask you to vote on this. This is my closing, my opening and my closing.

PRESIDENT: Senator Syas.

SENATOR SYAS: Just one statement, 10 percent cut for a person that's introduced a corporate increase in taxes bill.

PRESIDENT: The question is the adoption of Senator Keyes amendment. Record your vote. Have you voted? Record. There was a mechanical failure. The . . . again, please vote on the adoption of the Keyes amendment. Have you all voted? Record.

CLERK: 7 ayes, 16 nays, Mr. President.
